SUBJECT: MHP Administrative Measures

Dear Mr. Stover:

The Division of Health Care Management (DHCM) has reviewed the corrective action plan (CAP) that Maricopa Health Plan (MHP) submitted regarding non-compliance with the AHCCCS administrative performance (telephone) standards. The CAP is approved as submitted. It is my understanding that MHP is currently on track to be in compliance with all administrative performance standards for the month of February. However, due to MHP being non-compliant with these standards for four consecutive months, the CAP is being posted on the AHCCCS website under Acute Care Administrative Actions.
